

01. If I build a storage container and store my things inside, can a random player come and get stuff inside the storage container? I'm playing in the PvE server, by the way, I don't know if this would change something. 02. How to know if an item is just to disassemble? There are some items that we use for nothing, isn't material, nor useful, only to sell and disassemble, how to ???

do i need private storage boxes on pve? or is the basic ones good for pve? i dont know if other players can loot my base on pve. Okay in a Hive and know one can open your boxes, even Hive members, but if you give permission they can #4. Once Human > General Discussions > Topic Details. Date Posted: Jul 12 @ 12:00am. Posts: 5.
