

What is Lion storage?

Lion Storage builds and manages standalone utility-scale battery energy storage systems that support the roll-out of more renewable energy production, thereby accelerating the energy transition.

Why should you choose Lion storage?

At Lion Storage, we take both our responsibility to the environment as to our shareholders seriously. We are committed to delivering projects that are not only safe, reliable, and sustainable, but also commercially viable.

What markets does Lion storage operate in?

Lion Storage operates its storage systems across a wide range of markets. From available balancing markets (e.g. FCR, aFRR, mFRR, passive imbalance) to other ancillary markets (e.g. congestion management, voltage control) to wholesale markets (e.g. Day Ahead, IntraDay).

Where can I store my goods in Ireland?

Secure your personal or business goods at one of our self storage centres across Ireland. Storage units for small personal items right up to large furniture & equipment. Enter the facility using your phone - then drive straight to your secure unit. First-class security & high-quality containers keep your goods safe and dry.

How many self storage locations are there in Ireland?

We have eight self storage locations in Ireland and three more in Northern Ireland, with more added almost every month. The last thing you want is a self storage centre that's 100 kilometres away! Your unit is exactly that - a proper shipping container. No woodchip walls or plasterboard here, just rock-solid, industrial-strength steel.

Who is Storage Systems Ltd?
