

Who are Lista cabinets?

LISTA is the recognised market leader in Europe for workspace and storage solutions. We have set the standard and our name has become synonymous with drawer cabinets. The wide selection of cabinets, workstations and shelving systems can be freely combined to make your workspace work.

Why should you choose Lista cabinets?

The extensive range of LISTA cabinets enables you to customise and add to your storage and workspace equipment. The high-quality steel cabinets can be easily integrated into a variety of working environments and individually adapted to your specific requirements.

What types of storage cabinets does Lista offer?

LISTA provides various specialty storage cabinets for motorsport garages and automotive service departments like lift control cabinets, reel storage cabinets, and sink cabinets. This allows every department to have all of its needed items stored in an attractive, functional unit.

What are Lista cabinets made of?

All LISTA cabinets are made of sturdy and durable sheet steel. The doors can be ordered either in solid sheet metal or with a vision panel. Vision panels provide a better overview of the objects stored and promote tidy storage in the cupboards.

Where can Lista cupboards be found?

LISTA cupboards and LISTA workbenches can be found in over 100,000 companies all over the world: in large industrial halls and laboratories and in small and medium-sized companies. The logical conclusion? Anybody who thinks about drawer cupboards, thinks almost automatically about LISTA. We say: objective achieved!

What are Lista storage solutions?

From custom-engineered modular storage solutions with modular drawer cabinets, to Storage Wall Systems, to CNC tool transporters and tool pre-set workbenches, LISTA storage solutions are stable, secure, and perfect for tool cribs and a wide range of manufacturing applications.
