"Solar Power" is a song by New Zealand singer-songwriter Lorde for her third studio album of the same name. The song was written and produced by Lorde and Jack Antonoff and was released on 11 June 2021 by Universal Music New Zealand as the album's lead single, after being announced on Lorde's website alongside the message "Patience is a virtue". The song also ???

Behind Lorde was a monochromatic set with a giant rotating sundial, next to her were her cult-like bandmates, and in front of her was a sold-out crowd. The 25-year-old singer from New Zealand came to The MET in Philadelphia for her Solar Powertour. This venue was a step back from her Melodrama tour, which was held at the Wells Fargo Center in 2018.

Lorde ticket prices are caused by a number of factors, including the demand to see Lorde live, number of shows on tour, venue rental prices, and the amount of stage equipment, crew, and staff involved in making the Solar Power tour happen.

Four years after her last D.C. performance, Lorde returned to The Anthem's stage on August 29 on tour for her album "Solar Power." The 25-year-old artist was originally scheduled to play at the venue in April, but rescheduled the stop after contracting laryngitis. In the waning days of summer, thousands of fans crowded into the
