? Louisiana - Politics, Economy, Culture:

Louisiana's current constitution, its 11th, was adopted in 1974; it requires a two-thirds majority of each house of the state legislature, and then a majority of the electorate, to amend it. Louisiana has had more constitutions than any other state in the country. The constitution that was adopted in 1921 was Louisiana's 10th in 108 years.

Many businesses in Louisiana depend on consistent electric power generation for customer service, sustained productivity, workplace safety, and regulatory compliance. Louisiana Cat offers an extensive range of diesel and natural gas generator options, switchgear, power storage, monitoring, and customized packaging solutions to meet any need.
