

The slightly upgraded version, the Luminous 700va eco watt inverter is perfectly made to save the power usage while giving longer life to the battery. The same attributes to the Luminous inverter 700va sine wave too. Prices mentioned above are the best (least) price available for each item across all stores.

4. A subsidy amount of 3kW on grid solar systems is Rs. 43,764 by the central government. There are some states that provide a state subsidy of 30,000 for a whole solar system. That means, you will get Rs. 43,764 to 73,764 but you need to invest all the cost of the solar project yourself. A subsidy amount will be withdrawn within 30-60 days in the consumer ???

Luminous has a wide range of solar inverters for homes. These inverters are ideal for areas having low voltage problems. Shop today at the best prices!
