

Who can register a business in Comoros?

The law states that companies registering or licensing in Comoros must appoint a local representative or registered agent, who in turn must have the specific authorization to engage in such business. The only current authorized company is Comoros Services Ltd, who are authorized by the Comoros Central Bank. IBC requirements:

Is Luminous a non-discrimination company?

In addition to federal law requirements, Luminous abides by applicable state and local laws governing nondiscrimination in employment. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

Can Luminous computing work from home?

We believe that your value to the team can be provided at a Luminous Computing office or from the comfort of your home. Depending on your function, enjoy the flexibility of remote work and join our growing community of remote employees in the continental United States.

What is Luminous computing's employment policy?

This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training. Luminous Computing does not accept unsolicited agency resumes.

Why is Comoros a poor country?

Agriculture, including fishing, hunting, and forestry, is the leading sector of the economy. It contributes 40% to GDP, employs 80% of the labor force, and provides most of the exports. The country is not self-sufficient in food production; rice, the main staple, accounts for the bulk of imports. The Comoros is one of the world's poorest countries.

Does Luminous computing accept unsolicited resumes?

Luminous Computing does not accept unsolicited agency resumes. Furthermore, Luminous Computing does not pay placement fees for candidates submitted by any agency other than its approved partners.

The Comoros, officially the Union of the Comoros, is a sovereign archipelago island nation in the Indian Ocean, located at the northern end of the Mozambique Channel off the eastern coast of Africa, between northeastern Mozambique and northwestern Madagascar. Agriculture, including fishing, hunting, and forestry, is the leading sector of the economy. It contributes 40% to GDP, employs 80% of the labor force, and provides most of the exports. The country is not self-sufficie???
