The regulations require investors to enter into a 20-year contract for the purchase of photovoltaic energy with Macao's sole energy service provider, Companhia de Electricidade de Macau (CEM). Essentially CEM will purchase the electricity produced to ensure investors profit within a reasonable period. However, progress has been slow.

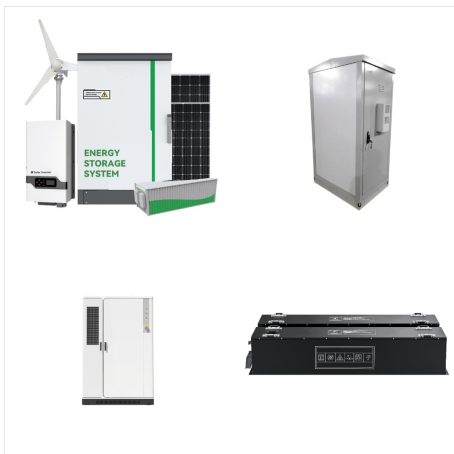

MACAO ENERGY STORAGE PRICES

, prices had fallen by about 89% until last year. BloombergNEF surveyed battery manufacturers, energy storage providers and developers earlier this year, finding turnkey system prices for four-hour duration battery storage to range from US\$250/kWh to US\$400/kWh, for projects scheduled for commissioning in 2023.
