

What does Intec energy solutions do?

Below is a rendering of the page up to the first error. INTEC Energy Solutions offers its valued customers best-in-class Engineering, Procurement, Construction (EPC), Development, Consultancy, Operations & Maintenance services, and new energy solutions.

What makes INTEC a global leader in EPC services?

With over a decade of success,INTEC has evolved into a global leader in EPC Services,boasting a proven 3.1 GW track record. Our focus on green energy drives us to go further,now offering comprehensive Project Development services and investing in New Energy Solutions.

What does Intec do?

INTEC offers end-to-end EPC services,ensuring seamless project execution from conception to completion. INTEC combines the latest battery and inverter technology with best-in-class engineering capabilities. INTEC provides strategic insights and expert guidance,ensuring the development of enduring turnkey solutions.

Where is Intec located?

With the expertise of a global workforce,INTEC is establishing itself as a leading player,executing over 180 projects globally and achieving a significant installed and secured capacity of 3.1 GWp. We maintain an active presence across Europe,the Middle East,APAC,Africa,and Türkiye,with our global headquarters located in Germany.

Why should you choose Intec?

INTEC is growing, significantly expanding its renewables focus and adapting to new industry challenges. Our commitment extends beyond simply providing solar power. We design and implement eco-friendly solutions optimized for maximum energy output and efficiency, while minimizing any environmental impact.
