Two decades of organic growth. Over the years, we have grown organically through hiring and development of best-in-class talent, and strategically with the acquisitions of the trading unit of JPMorgan Chase & Company, Noble Group's US gas and power business, and the Aegean Marine Petroleum Network, reorganized as our wholly owned bunkering and maritime ???

The company has firmly positioned itself as a leader in the energy transition, with over 50 percent of its new investments directed towards renewables and transitional energy. Mercuria has made substantial contributions to projects such as renewable power, energy storage, grid optimization, critical transition minerals recycling, and

Mercuria's Code of Conduct re-affirms our commitment to uphold the highest ethical standards at all times. It clearly defines expected behaviours and provides guidance to employees as to Mercuria's principles and how and what employees should escalate to the corporate responsibility & compliance department and/or the management team.

From US coast-to-coast, Canada and Mexico, Mercuria is a major contributor to energy optimization and low-carbon solutions in North America. More than just a leading commodity trading group. Learn more about how we are investing in some of the world's most innovative companies to advance the energy transition.

After founding Mercuria with a capital infusion by the Polish oil firm J+S Group (a firm which was later raided by Polish authorities in an oil trading investigation), Mercuria quickly grew to become the world's fourth largest trading firm, with 2013 revenue topping \$100 billion. By 2014 the firm employed over 1000 people in 28 countries.
