While most solar companies install new solar systems, they don't stick around to service and maintain them. At Solar Service Guys, we keep them working smoothly and cost-effective for years to come. As Australia's solar panel service and maintenance experts, we ensure your whole system is safe and functional to maximise your energy savings.

The average cost to install solar panels is around \$26,600, and most homeowners pay between \$4,500 and \$53,000. Keep in mind that these prices don't consider the federal investment tax credit (ITC), which can effectively reduce those costs by up to 30%.
