The island of Antigua is highly vulnerable to climate change, faced with rising sea levels, worsening droughts and ever more powerful hurricanes. Photo: UNEP/Marcus Nield. Around 50km to the south lies Antigua, Barbuda's twin in a?|

I had to apply for an e-visa to enter Antigua and Barbuda because I am Lebanese. In order to apply for the visa, I had to book a non-refundable all inclusive vacation as proof of accomodation. The government website said the normal visa takes 7 days and I can also request an expedited one. So I opted for the more expensive visa (200\$).
