

How can vector PowerSmart help Niue?

Vector PowerSmart's newly implemented energy technology will go a long way to helping Niue achieve this goal by increasing the island's use of renewable energy. This project was implemented in partnership with the Government of Niue and MFAT.

Who is Advanced Power Solutions?

Advanced Power Solutions (APS) is a leading producer of premium quality batteries, with production site located in Poland: Gniezno. Our mission is to provide easy, safe, and sustainable mobile energy solutions. We aim to create a powerhouse of brands that improve consumers' daily lives, all while ensuring environmentally responsible production.

Who makes Advanced Power Solutions batteries?

The Advanced Power Solutions plant in Gniezno is well known for its production of Zinc Carbon and Alkaline batteries. The Gniezno plant has a rich history dating back to 1993. Our plant in Poland takes care of the production, development and packaging of Zinc Carbon and Alkaline batteries.

At Advanced Power Solutions (Borneo) Sdn. Bhd. (APSB), our ability to provide exceptional quality services lies in the years of experience we have in electrical and mechanical engineering services. APSB has been in the business since 2006 as a company and our team of dedicated professionals has decades of experience and are capable of any
