

Why did kontrolmatik choose Colleton County?

Kontrolmatik Technologies has chosen Colleton County to locate its first U.S. based lithium-ion battery factory. This project will have a huge impact on our community and our local economy. The jobs created by this project will improve the quality of life for our citizens and will attract new residents to our community.

Will kontrolmatik build a lithium-ion battery factory in Ankara?

Kontrolmatik Technologies announced in December that it plans to build a 500,000-square-foot lithium-ion battery production facility in Colleton County that is expected to begin production in mid-2024. This new facility will create about 575 new jobs and have an initial production capacity of 3 gigawatt-hours (GWh). The construction of a lithium-ion battery factory in Ankara was not mentioned in the provided passage.

Where is kontrolmatik & pomega located?

"We are very excited to locate our flagship factory in South Carolina, and we appreciate the warm welcome we have received everywhere we've gone throughout the state," said Bahadir Yetki, CEO of Kontrolmatik and Pomega.

We are Pomega, a battery energy storage company based in Virginia and South Carolina. Our mission is to provide energy storage technology with industry-leading safety, reliability, and efficiency. Pomega Energy ???
