

Who is Zichai power?

Zichai Power Co.,Ltd, China diesel engine, diesel gensets, generator sets, diesel generator sets, marine diesel engine products manufacturer and supplier. Welcome to contact us.

Who is Zibo Zichai?

Zibo Zichai New Energy Co., Ltd. has state-level technical center, gas power generation engineering and technology research center, academician workstation and other research and development platform; has innovation team with hundreds of R & D personnel and engineering and technical personnel.

Who is Zibo Diesel Company?

Zibo diesel company was founded in 1970 under the China agricultural development group co.,LTD.,is China's high-speed diesel engine manufacturing key enterprises,the company's annual output of various types of engine more than 4500 sets,the total power of 3 million kilowatts.

What is Zichai's role in China's energy industry?

At present,Zichai products share 80% of China's market in low calorific value gas and high hydrogen combustible gas application,account for 80% export of the similar products. Company Profile. Independent research and developmentto create industry leading level. Green,environmental protection and energy conservation to boost global energy.

What is Zibo City high-value patent?

Recently, the New Energy Company's invention patent "Reactive load distribution device and system for analog generator parallel and isolated grid operation" was selected for the 2023 "Zibo City High-Value Patent" project. The "Zibo High-Value Patent" project was established by the Zibo Municipal...

Why should you choose Zichai?

Enjoy the following benefits: Zichai company has 50 years of experience in R & D and manufacturing internal combustion engine, has 20 years of experience in gas power generation project application, has annual production capacity of 10,000 sets internal combustion power equipment.

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having exported power generation systems to more than 50 Countries in Europe, Asia and Africa. Characteristics of products are low& medium speed (500rpm/600rpm/750rpm

On March 16th of this year, the first L250 dual fuel engine of Zichai Power Co., Ltd. was delivered from Boyang Company, the subsidiary factory of Zichai. This engine was equipped on a Hunan engineering ship, which is the first ship used high power dual fuel engine in China.This is another milestone and new starting point in the technology

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having exported power generation systems to more than 50 Countries in Europe, Asia and Africa. Characteristics of products are low& medium speed (500rpm/600rpm/750rpm

The company is containing four subsidiaries: Zichai Machines CO., LTD. Qingdao Zichai Boyang Diesel Engine Co., Ltd.Zibo Zichai New Energy Co., Ltd and Nantong Zichai Marine Machinery Co., Ltd. In December 2017, the company is renamed as Zichai Power Co., Ltd. in response to the SASAC state-owned enterprise reform requirements.

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having ???

The company has the national enterprise technology center, shandong province Marine engine performance research laboratory, postdoctoral research station and other innovation platform; It has undertaken and implemented more than 20 provincial-level or above research projects, including the national "863" plan, the torch plan, the national science and ???

The company is headquartered in Zichai Industrial Park, Zibo High-tech Zone, with an annual output of more than 10,000 sets and a total power of more than 6 million kilowatts. There are three subsidiaries: Qingdao Zichai Boyang Diesel Engine Co., Ltd., Zibo Zichai New Energy Co., Ltd. and Zicai Machinery Co., Ltd.

Zibo Zichai New Energy Co., Ltd., a subsidiary of the China National Agricultural Development Group Co., Ltd., is high-tech enterprise. As the core production base of China's large-scale engine and key components and the core innovation base of China`s new energy utilization equipment manufacturing and technology service.
