

What is North Macedonia's just energy transition investment platform?

North Macedonia today launched a just energy transition investment platform to guide its far-reaching plans for a low-carbon and just transition of the electricity sector.

Is EBRD a partner of North Macedonia?

"We are very proud to be a partner of North Macedonia in this innovative country-led platform, which blends government commitment, international support and private finance to accelerate a just energy transition," said the EBRD's President Renaud-Basso.

How will the green economy transition impact North Macedonia?

The green economy transition will bring net economic benefits, supporting North Macedonia in entering green value chains and increasing the competitiveness of its economy. However, coal-reliant regions may be impacted unevenly.

At the COP28 conference in Dubai, North Macedonia launched a just energy transition investment platform to guide its far-reaching plans for a low-carbon and just transition of the electricity sector. The platform represents a milestone for the historically coal-dependent country and highlights its ambition to Transform its energy sector and economy to a low ???
