

The NuEnergy Products Division develops and manufactures sustainable energy systems. The Company has an extensive portfolio of innovative and complementary renewable energy technologies that, either individually or collectively, provide a wide range of power solutions.

NuEnergy is one of the world's leading suppliers of various high performance lithium-ion batteries and energy storage technologies. Lithium-ion batteries as a power source are dominating in portable electronics, penetrating the EV market, and on the verge of entering the utility market for grid-energy storage.
