Welcome to Omnivoltaic Asia! ???? We specialize in delivering solar and e-mobility solutions tailored for the dynamic needs of communities across the Philippines, Papua New Guinea, Vanuatu, Fiji, Indonesia, Australia, New Zealand and Bangladesh.

Yes, we also offer Original Design Manufacturer and Original Equipment Manufacturer services, also known as ODM and OEM respectively. Omnivoltaic is the only solar manufacturing company which can offer the services from design and scheming to manufacturing, as we have mastered the most advanced technology in the energy storage systems space.

Introducing Omnivoltaic's Groundbreaking Power Triad??? Picture this: Power Generation, Storage, and Usage???three dynamic elements seamlessly woven together to form the backbone of any off-grid power system. And at the heart of it all lies Omnivoltaic's game-changing Power Triad???, a visionary design concept that's reshaping the way we harness and utilize energy.

It isn't just about lighting up a room, It's about lighting up lives and livelihoods! While many solar companies focus solely on the basics, we're here to revolutionize the way communities harness the sun's energy, turning it into a source of income and opportunity.
