Wholesale Solar Warehouse is family-owned and operated by Charles and Lori Bush in Richmond, VA. We believe in doing business the old fashioned way with honesty and integrity. We believe that solar should be affordable to all people not just to the wealthy. Wholesale Solar Warehouse is your trusted partner for all your DIY solar projects!

Photovoltaic inverters offered by Photovoltaic Wholesaler Solmix. Inverters are the heart of every photovoltaic system. They are responsible for changing direct current (DC), produced by photovoltaic panels into alternating current (AC). Inverters are also used to monitor the correct operation of the photovoltaic system and have safety functions.

Our primary features are our roster of longstanding partners, our smart technology, our state-of-the-art systems and our dynamic people. As a specialist wholesaler of photovoltaic supplies and systems, we are industry insiders, service providers, optimisation experts, consultants, and hands-on action-takers.

The trading company thus rose to become one of the leading names on the global photovoltaic market. Today Krannich focuses its operations on the distribution of all components that make up a PV system. We can look back on many years of success as a wholesaler in the solar industry. But the challenges we face are constantly evolving. Because
