

Does pineng have a USB port?

As with the Hologram sticker, the USB port of Pineng also has two variants. The black-colored port is the new style. The white-colored USB ports are still being sold on some of the stores as old Pineng stocks. The charging port and power button are placed in parallel with each other. The powerbank could charge at a rate up to 2A at 5 volts.

Is the pineng PN 957 a good power bank?

The Pineng PN 957 is a 10,000mAh power bank that has four built-in wires to charge most mobile devices. Though the wires are short, it still adds a lot of convenience and portability since you don't have to bring your own. Unfortunately, this does add a layer of vulnerability since it's impossible to replace these wires.

Is vinsic a better power bank than pineng?

A power bank manufacturer called Vinsic offers almost the same feature found in Pineng power banks plus the ability to charge a mac. It is undeniably thinner and classy looking but unfortunately, it is neither cheap nor locally available compared with Pineng. |Update on current price of Pineng and of competing brand as well.

How does the pineng PN 888 work?

The Pineng PN 888 is a 10,000mAh power bank with a screen that displays the battery level, and Qi wireless charging in front. On the right, there's a built-in, removable USB to MicroUSB cable. At the top, you can find a MicroUSB input and a Quick Charge 3.0 enabled USB output. At the bottom, Pineng added a MicroUSB to USB Type-C adapter.

Is pineng a good powerbank?

It is quite bulky and heavy compared to other powerbanks. Xiaomi is a real champion when it comes to build and design simplicity. If performance is on top of your list, Pineng 20,000mAh powerbank is definitely one of the best choices that you can have at an affordable price.

How do I charge my pineng PN 936 & PN 939?

There's also a MicroUSB port to charge the device. Situated at the side is the power button to turn the device on. The Pineng PN 936 (white) and PN 939 (black) have 10,000mAh and 20,000mAh capacities respectively

# PINENG USB BACKUP POWER REVIEW

and taper towards the top where the ports are located.

As far as a power bank goes, the Pineng PN886 is pretty much standard: 10,000 mAh, two output USB-A ports, and an LED screen indicating battery level and other information. What makes it special is the wireless charging pad on the front, which allows you to charge Qi-compatible devices wirelessly, including smartphones and wireless earbuds.
