

The Solomon Islands, at the front line of climate-related challenges, serves as both host and witness to the global discussions about marine conservation. "We depend on our oceans for survival," remarked Jeremiah Manele, Prime Minister of the Solomon Islands, drawing attention to the intrinsic value of healthy coral reefs.

Drax is pleased to announce that it has completed the acquisition of the entire issued share capital of Pinnacle Renewable Inc. The Acquisition was originally announced on 8 February 2021. Enquiries:

Speaking from Honiara, the capital of the Solomon Islands, DiCaprio emphasized the importance of protecting these fragile ecosystems. "This coral colony shows us the incredible resilience of nature, and it's our responsibility to protect and preserve them for future generations," he stated enthusiastically.

The Solomon Islands are a Western Tropical Pacific archipelago of 21# major islands and almost 1,000 smaller islands scattered across 1500 km, located to the northeast of Australia and east of PNG. As a result of having to rely on expensive, imported diesel for power generation, electricity on the Solomon Islands is some of the most expensive
