

Storage Systems USA offers meticulously crafted high density mobile shelving units from Montel. These consist of the following features: Create storage anywhere; Optimize capacity with space-saving features; Reconfigure based on your changing needs; Prevent theft while limiting access

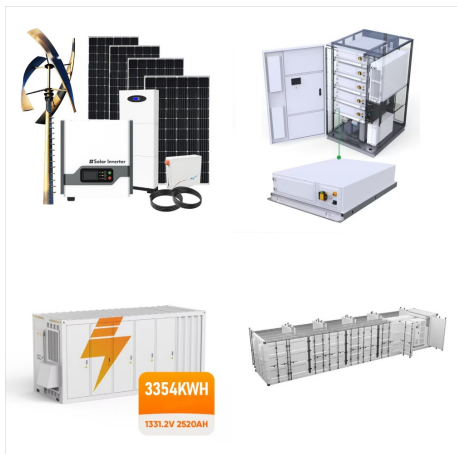

High Density, Inc. (H.D.I.) maximizes floorspace and improves productivity by designing and installing innovative storage equipment and furniture. From initial concept to project completion, HDI provides clients unmatched competency in architectural constraints, workflow, and ???

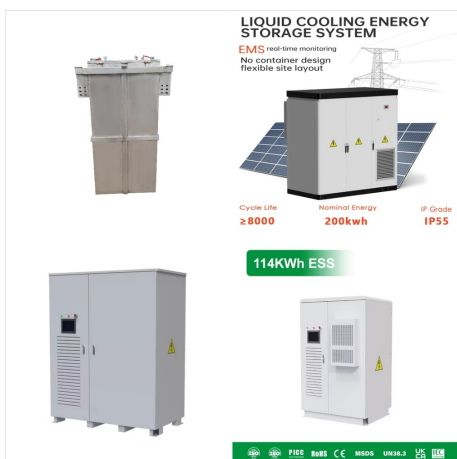

SafeAisle(R) powered mobile storage systems can accommodate on their carriages a variety of shelving, filing and racking solutions as well as an extensive line of add-ons. With such a high-density mobile storage system, you can get ???

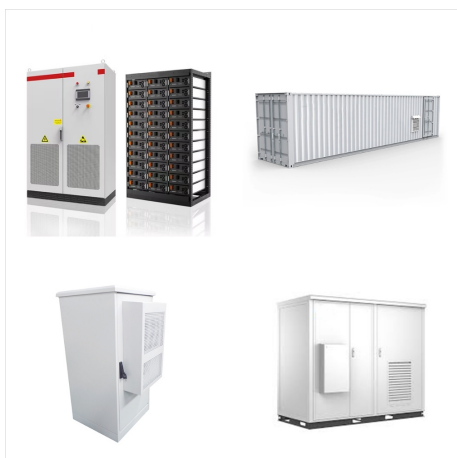

PITCAIRN ISLANDS HIGH DENSITY MOBILE STORAGE SYSTEMS

SafeAisle(R) powered mobile storage systems can accommodate on their carriages a variety of shelving, filing and racking solutions as well as an extensive line of add-ons. With such a high-density mobile storage system, you can get the flexibility you need to customize your shelving while optimizing your capacity, without sacrificing security.

High Density, Inc. (H.D.I.) maximizes floorspace and improves productivity by designing and installing innovative storage equipment and furniture. From initial concept to project completion, HDI provides clients unmatched competency in ???

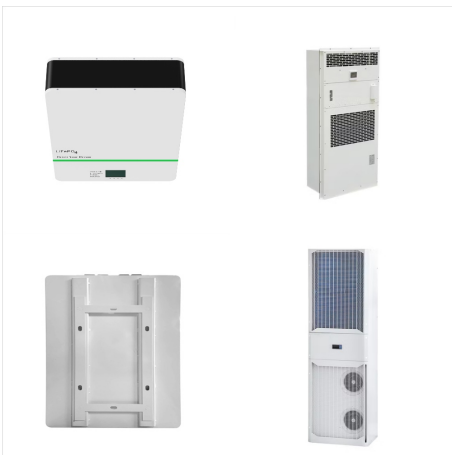

leading manufacturer of high-density mobile storage systems for office, institutional and industrial applications. There's no better storage solution than Spacesaver. Benefits include: ??? Up to 100% greater utilization of space ??? Uncompromising user safety ??? Secured access ??? Compliance with all government mandates

PITCAIRN ISLANDS HIGH DENSITY MOBILE STORAGE SYSTEMS

High-Density Mobile Systems enable you to maximize both storage and functionality. Unlike conventional static shelves that use a set amount of space, High-Density Mobile Systems eliminate unused aisle space, optimizing your area and increasing storage or workspace within the same footprint.

Spacesaver High-Density Mobile Storage Systems give you significantly greater storage capacity per square foot (meter) of floor space. In many applications, Spacesaver High-Density Mobile Storage Systems are three times more space efficient than conventional filing and shelving at ???
