How can I watch a planetary alignment video?

You can also watch a video of the planet positions using our yearly planetary alignment videos. With our desktop app, you can rewind time to see the heavens at the time of your birth and discover for yourself which sign each planet was in and which were in retrograde.

Why do astrologers analyze planetary transits?

As planets transit the zodiac, they interact with each other and the stars, creating complex energies. These interactions shape our experiences, from relationships and career to personal growth and challenges. By analyzing planetary transits, astrologers identify patterns and cycles that inform life's decisions.
