

What are portable solar panels & solar battery chargers?

Portable solar panels and solar battery chargers are easy-to-use devices that provide backup power to anyone who happens to be away from a working power outlet, including hikers, car campers, and even people looking to keep their devices running during a power outage at home.

What is the best portable solar charger?

Of the smaller panels, the BigBlue SolarPowa 28 is the top dog of portable solar chargers. The BigBlue is impressively efficient in its charging capabilities and performed the best in all our testing of portable solar panels. This model is the fastest portable model we tested, and it delivers consistent charging even as conditions change.

What is a solar battery charger?

When you're shopping, the terminology can be confusing. By "solar battery chargers," we mean lightweight, lower-wattage devices that can directly charge personal electronics while on the go, typically via USB port. "Portable solar panels" are their larger, heavier, and higher-power siblings.

Which solar charger should I buy?

Or, if you need a complete unit to use in the home as a backup power source, we recommend Bluetti EB55 solar charging station. Most portable solar chargers have smaller panels of around two watts or less, so the panel serves as a slow, emergency-charging system and the battery does the lion's share of the work.

How much does a portable solar charger cost?

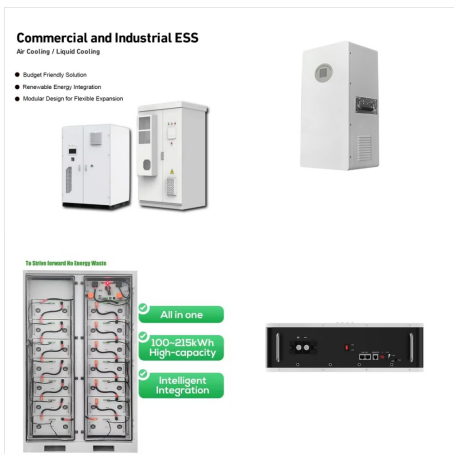

For perspective, the \$150 BioLite Solar Panel 10+ equates to \$15 per watt. Thus, the value proposition for portable solar chargers involves focusing on how much power you get for the price. Relatively speaking, then, we see that the cost of a solar system doesn't need to be astronomical.

What wattage should a solar charger be?

20 watts to 30 watts: Many of the portable solar chargers we tested here fall into this wattage range. 20 to 30-watt chargers are great for faster charge speeds while still being relatively portable. 30 watts to 50 watts: You'll see even faster charging speeds in this range.
