

We are an authorized lead-recycler to properly approved, EPA Certified smelters. Power Pro Battery Company started in Central PA in 1985, and has specialized in battery sales and recycling for over 25 years. Give us a call at 717-664-5033 for all your battery needs.

We buy scrap lead-acid batteries, clean lead, and wheel weights! Over 98% of batteries are recycled, because they are both hazardous and valuable. We pay for your scrap and dispose of it responsibly! We will match or beat any scrap price.
