

We are a leading provider of stored power solutions utilized by energy leaders in offshore, telecom, energy services, utilities, oil & gas, data centers, motive power, material handling, distribution, and manufacturing industries. From SBS (Stored Battery Systems) to Battery Test Equipment, we provide solutions tailored to meet your specific needs.

Alternative Power Supply is the leading solar installation and solar service company in the Bahamas. We are the Authorized Outback Power Installers and Warranty Repair Service Center. We install Grid Tied, Grid Interactive and Battery Energy Storage Systems to the highest international standard.

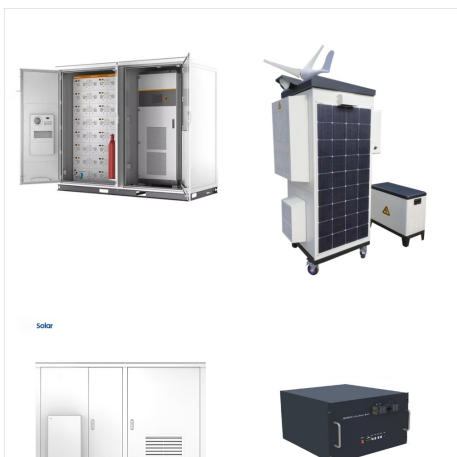

The PV panels on this off-grid system power the house and charge the 2 LFP-15 Fortress Power batteries during the day. In the evening, the Fortress batteries supply the power to the house until the sun comes out again the next day. The batteries allow the homeowner to live independently of the grid and maintain power in the case of an outage.

High Frequency Switched-Mode Chargers use transistor controls and an advanced charge algorithm to better communicate power requirements to the battery resulting in greater AC Efficiency. This gives the battery a cooler recharge profile allowing for more energy to be absorbed by the battery and a longer life. They also offer a smaller footprint.

POWER SOLUTIONS BATTERY BAHAMAS

The Power Solutions service group offers battery installation by trained technicians, inventory management, emergency repair, maintenance services, testing, and disposal. Standby Power batteries are known for their reliability, but they can also become potential points of failure if ignored. With regular battery maintenance, potential problems

BIRMINGHAM, UK; May 3, 2023 ??? TAE Power Solutions, a new power management subsidiary from fusion energy leader TAE Technologies, has today announced the opening of a new UK facility. The site will be the company's fourth UK location, including the locations inherited from acquisitions of Sprint Power and Eltrium during its launch earlier this year, and will create 20+ ???
