Increase the intensity of your workout with Power Systems Machine Add-On Weight. These rubber-coated cast iron weights add 5 lbs to most selectorized machines. Free and fast shipping for this machine add-on weight from Power Systems. Call our US-based customer service with any questions. Call Us 1-866-308-5484; Checkout; About Us; My

Free weights are also affordable compared to resistance machines. Machines are more costly and tend to require a lot more space, so if you have budget and/or space restrictions, free weights are a great choice. Another benefit of free weights is that you can target more range of motion and different types of exercise from one type of free weight.
