What Kinds of Battle Ropes does Power Systems Offer? Power Systems offers a variety of ropes, anchors, and teaching tools to help anyone start using battle ropes or increase the intensity of their fitness rope workout. You can choose from thinner (1.5") or thicker (2") ropes, depending on your grip and on the level of intensity you seek.

The rope on the Airopo PRO is thicker, providing more rotational resistance than the Airopo Original (sold separately). Instructions are included. Since 1986, Power Systems" passion for fitness has been fueled by our customers. Power Systems is committed to ensuring people have the tools to lead active lives with professional-grade products
