Details Product information EcoFlow PowerOcean

LFP Battery 5KWH The EcoFlow PowerOcean 5

kWh solar storage system marks a significant

advance in energy self-sufficiency technology. With

its innovative 800V high-voltage LFP battery

technology, this storage system offers a safe,

efficient and reliable solution for storing solar

energy.

The EcoFlow PowerOcean redefines home energy

storage with an advanced safety system, LFP

battery tech, a fire prevention module, and an

IP65-certified design. The EcoFlow PowerOcean

comes with a 15-year warranty, with batteries

expandable up to 45 kWh? while offering over 6,000

charge cycles.The EcoFlow PowerOcean is a
