

How do you make a solar system printable?

If you chose the version of the printable that is outlines, use some markers or crayons to color the sun and planets for your solar system craft. Then cut out all of the pieces and fold each of the planets on the dotted line. Because the sun is larger than all of the planets, it takes up 2 pages.

How do you use solar system coloring pages?

A great way to use solar system coloring pages is to create glow-in-the-dark ceiling art! This is easy, and kids love it. The key is coloring the page with glow-in-the-dark paint or markers rather than crayons.

How do you make a solar system poster?

Have your youngster make a solar system poster to turn a coloring page into terrific artwork. Using a large piece of black construction paper, use tiny dots of white paint to create stars. Next, place a large sun in the middle. Color the solar system page and cut out the individual planets and transfer them to the poster.

Are there printable planet coloring sheets?
