

Solarcom Energy leads the way as one of Lebanon's best solar companies, offering a diverse range of green energy solutions for both residential and commercial customers. Our exceptional selection of solar panels includes top-rated options from renowned brands like Nruit and Luxpower, renowned for their longevity and durability.

At Solarcom Energy, we are committed to providing renewable energy solutions in Lebanon. Our focus is on selling solar energy products, including solar panels, solar inverters, lithium batteries, and heavy-duty solar systems. We offer solar panel installation services in Beirut and solar system maintenance throughout Lebanon.

Founded in 2019 in Minieh, North Lebanon, Sweid Solar started its activity as a pure installer of photovoltaic solar systems. Aiming to provide the best value and service, the company has evolved into a distributor of complete solar systems, including solar modules, solar inverters, battery storage and accessories.

Solar panels are durable, low-maintenance energy sources. In Lebanon, they are a popular choice due to high energy costs and abundant sunshine. In addition, they can power homes, businesses, or even entire communities and reduce dependence on fossil fuels.

Discover Independence Through Using The Power Of Solar Panels! We offer a variety of products, solutions, and services across Lebanon. We evaluate our clients options then customize energy systems that fit their needs and interests.
