

What is Web Summit Qatar?

On February 26, 2025, over 15,000 startup founders, entrepreneurs, and investors from around the world will gather at the Doha Exhibition and Convention Center (DECC) for Web Summit Qatar. This is one of the largest and most anticipated events in the tech and startup world.

Why did Qatar choose to host the Web Summit?

Qatar's selection as the host for this year's Web Summit is a decision that aligns perfectly with the event's global vision. According to Cosgrave, "Qatar is, firstly, an incredible place. It's a gateway to the world, not just to the Middle East. Within three to four hours of flying time, you can reach billions of people."

Why is Qatar a good place to start a startup?

This geographical advantage makes Qatar an ideal location for startups looking to expand into new, high-growth markets. On February 26, 2025, over 15,000 startup founders, entrepreneurs, and investors from around the world will gather at the Doha Exhibition and Convention Center (DECC) for Web Summit Qatar.

Why is Qatar a great destination for international events?

Beyond its connectivity, Qatar has a proven track record of hosting some of the world's most significant and prestigious events. Cosgrave highlights Qatar's success in managing global spectacles like the FIFA World Cup, demonstrating its capability in handling large-scale international gatherings.
