Where can I order solid wood furniture?

Customize online or give us a call to order. At Vermont Woods Studios, our solid wood furniture, handcrafted in Vermont, embodies a legacy of quality and sustainable craftsmanship.

What is solid wood furniture made of?

All of our solid wood furniture is built with sustainably harvested, North-American hardwoods like cherry, walnut, maple and oak. These woods come from trees that grow natively in our local forests. This means less resources are expended transporting the wood from forests to saw mills and workshops.

What are the different types of solid wood furniture?

Some of our wood options include oak, quartersawn oak, cherry, maple, walnut, rustic cherry, brown maple and hickory. Because solid wood furniture is made from natural fiber, its beauty lies within the wood itself - a natural, wholesome, elegant look and feel that makes solid hardwood furniture unique and special.
