

What is Reliant Energy?

Reliant Energy is one of the most popular and trusted retail energy service providers in Texas, serving more than 1.5 million Texans in over 50 cities. Reliant Energy offers an exclusive electricity rate, Simple Solar Sell Back, for homeowners who install solar through Reliant's Solar Energy Experts and partnered installers.

What is Reliant Energy's make it solar program?

Reliant Energy's Make It Solar program supports clean, renewable energy, no panels required. House or apartment, own or rent -- it's easy to Make It Solar.

Is Reliant Energy a good solar provider in Texas?

Reliant Energy was once one of the best Texas electricity providers for solar homeowners due to their full-retail net metering offer. However, this has changed, and solar savings with Reliant are now lower than before. Reliant Energy's Simple Solar Sell Back plan is still one of Texas's best solar buyback plans.

Does Reliant offer a solar payback plan?

If you already have solar panels, Reliant has renewable electricity plans that can help you make the most of your solar power. With the Reliant Solar Payback Plus plan, you'll receive bill credits when your solar panels generate excess energy and return it to the electric grid. 2

What types of energy plans does Reliant offer?

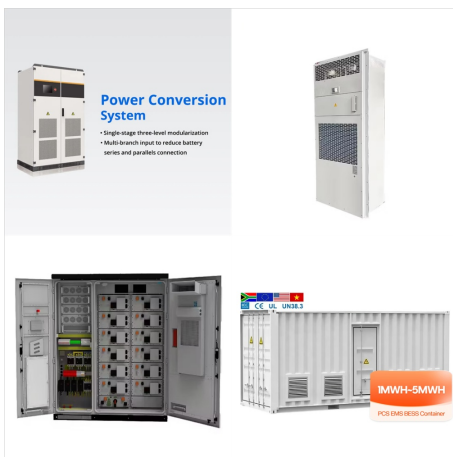

Reliant offers fixed rate and variable rate plans, pre-paid plans, renewable energy plans and more. Compare and find the right plan for you.

How do I add Make It Solar to my Reliant electricity plan?

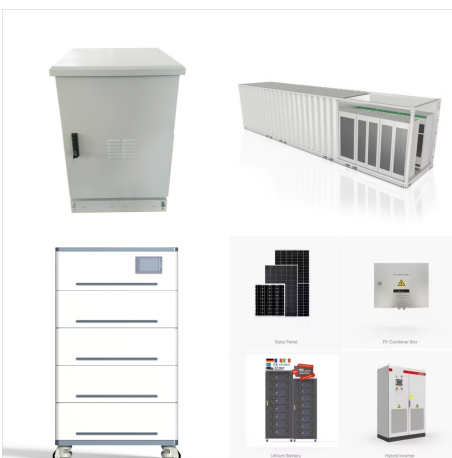

It's easy to add Make It Solar to your current Reliant electricity plan. Just log in to sign up. When you Make It Solar, nothing changes about your electricity plan or the way power gets to your home. No rooftop panels or devices are needed. We'll match the electricity you use with solar renewable energy certificates (RECs).

For each monthly billing period less than 28 days, please see EFL for details. Your average price calculation will be based on your total monthly usage. Plan matches 100% of electricity usage with solar renewable energy certificates. Valid for new residential customers only. Reliant reserves the right to discontinue this offer without notice.

Fixed rate. With a fixed-rate electricity plan, the price you pay for electricity remains the same each month. The price will only change due to factors beyond your provider's control, such as changes in fees from the utility company (TDSP) or regional administrative fees.

The Reliant Energy Truly Free Nights Plan gives you free electricity and delivery charges from 8pm to 6am every day. In calculating the average price per kilowatt hour, Reliant Energy assumes that you will use 42% of your power at night, ???

Our average user saves an extra \$400 per year, so get yours today. Related Topics: Free Solar Electric Plan Analysis Time-Of-Use and Solar Plan Calculator

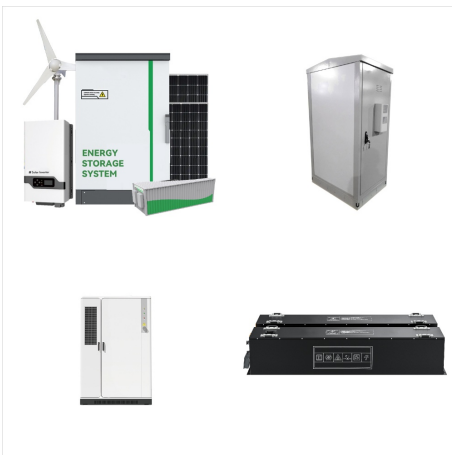

In most of Texas, the electricity industry is deregulated, which means you can purchase electricity from a retail electric provider of your choice. In contrast, the remaining areas of Texas have a regulated electricity industry, where electricity is delivered to homes and businesses by a single utility company, without the power of choice.
