

Can I renew my passport online?

Eligible U.S. citizens who want routine service can now renew their passports online. If you do not qualify to renew online, you may also renew by mail. The passport you are renewing is or was valid for 10 years, and you are age 25 or older. We issued the passport you are renewing between 2009 and 2015.

Does renew really work?

Renew not only protects and slicks up your vehicle's paint but also works great on wheels, glass, plastics, trims, and other surfaces including watercraft and aviation applications. Be careful with competitors claiming to have high concentrations of SiO₂. In fact, Silicon dioxide doesn't belong as an active ingredient!

Can I renew an expired passport?

You can renew an expired passport, but only if it was issued within the last 15 years. You can renew your passport and/or passport card by mail. You may instead be able to renew them online during the limited beta release of the Online Passport Renewal System.
