

Founded in 2009, Shenzhen World New Power Co.,Ltd (WorldPower) is a National High-Technology enterprise, specializing in R& D, manufacturing and sales of Lithium-ion batteries, which is located in Shenzhen, China. Our products are mainly applied in E-Bike, E-scooter, Energy Storage and Medical devices.

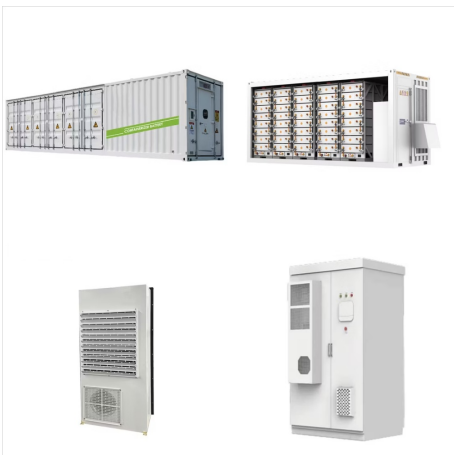

Founded in 2009, Shenzhen World New Power Co.,Ltd (WorldPower) is a National High-Technology enterprise, specializing in R& D, manufacturing and sales of Lithium-ion batteries, which is located in Shenzhen, China. Our products are mainly applied in E-Bike, E-scooter, Energy Storage and Medical devices.

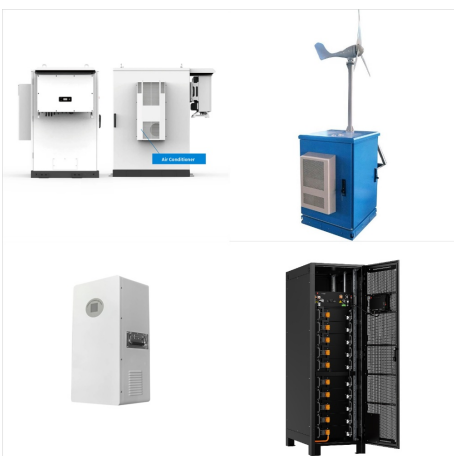

Shenzhen World New Power Co., Ltd. is a high-tech enterprise focusing on the research and development and innovation of new energy lithium-ion batteries and energy storage technology. It is committed to building a lithium battery module, outdoor energy storage, home energy storage, and emergency power supply.

Shenzhen World New Power Co., Ltd., established in 2009, is a national high-tech enterprise specializing in the design, development and manufacturing of lithium battery module solutions for customers.

Shenzhen World New Power Co.,Ltd., established in 2009, specializing in the design, development and manufacturing of stable quality lithium Ion battery module solutions including CANBus/SMBUS/RS485 software design and development for worldwide customers.

By continuous research and development and investment for more and more reliable and intelligent Battery Management System, World Power Battery has won nearly 50 patents and certificates, and has been awarded by the government as National High Tech Enterprise. and China's Top 10 lithium Ion battery brands for Light Electric Vehicle and Energy
