

Who is the best solar company in South Carolina?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in South Carolina are Olympus Home, Renu Energy Solutions, Solar Energy Partners, CAPE FEAR SOLAR SYSTEMS, LLC, and ESD Solar. How many solar companies are in South Carolina?

Are solar companies competitive in South Carolina?

Solar companies are competitive in South Carolina -- they want your business. We recommend shopping around and getting multiple solar quotes. That way you can choose the one that offers the best value deal for your energy needs.

Where can I buy solar panels in South Carolina?

Solar Energy World was founded in 2009 and operates across 10 states, including South Carolina. This installer offers solar panels from several manufacturers, as well as solar batteries and live system monitoring. With Solar Energy World, you can buy your solar panel system outright or sign a lease or PPA.

How do I choose a solar installer in South Carolina?

For solar installers in South Carolina, you especially want to look for a production warranty -- to provide peace of mind through the state's extreme weather -- as well as warranties for roof leaks, which are especially important given the high rainfall totals throughout the state.

Is solar a good investment in South Carolina?

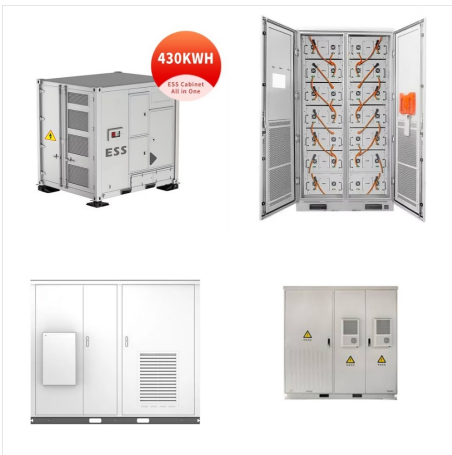

Going solar is a huge investment, especially in South Carolina where the cost of solar is a little higher. Choosing a company that has a lot of solar financing options, like Blue Raven Solar, can help ease the initial financial burden of installing solar panels.

What solar incentives are available in South Carolina?

The Database of State Incentives for Renewables and Efficiency offers a comprehensive list of South Carolina solar incentives. Here are a few you should know about. This state-level solar program offers a tax credit of 25% of the cost of a solar panel system back to residents.
