

What are Sentinel products?

SENTINEL products are designed to offer a high-performance roofing options, with proven fire and chemical resistance, that enhance sustainability through their durability and energy demand mitigation. The SENTINEL product line consists of two basic formula options:

Why should you choose Sentinel roof membranes?

Along with membranes, SENTINEL offers a robust range of accessories to help finish corners, flashings and other seams, along with specialized adhesives to help ensure decades of service. SENTINEL membranes help roofs reflect sunlight while also cooling themselves by efficiently emitting any heat absorbed.

What are Sentinel membranes?

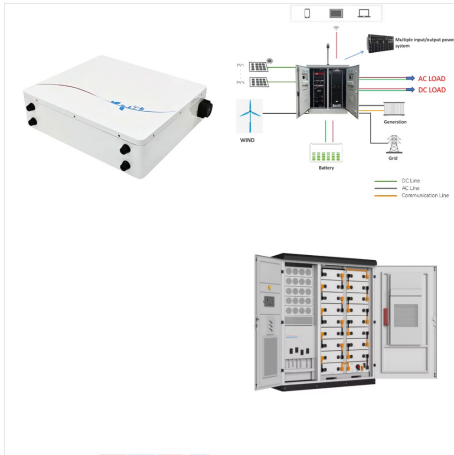

SENTINEL membranes SENTINEL products are designed to offer a high-performance roofing and waterproofing options, with proven fire and chemical resistance, that enhance sustainability through their durability and energy demand mitigation.

Are Sentinel products rated CRRC rated?

SENTINEL products are rated by the Cool Roof Rating Council (CRRC), an organization that develops fair, accurate, and credible methods for evaluating and labeling the radiative properties of roofing and exterior wall products. CRRC-rated products can help combat extreme heat and urban heat island effect while also reducing energy costs.

What makes Sentinel different?

The SENTINEL product line consists of two basic formula options: Along with membranes, SENTINEL offers a robust range of accessories to help finish corners, flashings and other seams, along with specialized adhesives to help ensure decades of service.

Find reviews, ratings, directions, business hours, and book appointments online. Im a woman of a certain age and I had a rep from another company come close to pressuring me into a metal roof. I noted

Sentinel has always taken care of any issues I have had. Recently, our building's garage door had stopped working. As it was after 5 p.m. on a Friday, I called the emergency phone number for Sentinel. Cindy had the company come out and fix the door within the hour. This is the type of service I have always received from Cindy and her staff.
