A 5.8 MWp floating solar power plant is set to be developed in Seychelles. This follows a power purchase agreement (PPA) inked between Independent Power Producer (IPP) Qair with the Republic of Seychelles' Public Utilities Corporation (PUC) over the project. This is the Indian Ocean country's first ever PPA. The project will be set up in Providence Lagoon, ???

Archive -Seychelles What is customer service? |10 April 2017
Customer service is the way you treat the people who support your company. These can be paying customers (external customers) or staff members (internal customers). The customer's perception of that service is what brings them back to you for repeated service.
