

The NPS-I and NPS-II switches allow instantaneous transfer of load between two power sources. It can be used to ensure complete redundancy of power supply up to the last piece of wire. It useful in many applications where redundant power supply is available, either from two UPS systems or one UPS and bypass source. Shakti Power Solutions

Harmonics Active Power (Harmonic) Filter
Harmonics Active Power (Harmonic) Filter Delta's PQC Series APF is connected in parallel with non-linear loads, and uses one set of current transformers (CT) to detect the load current. It calculates each order harmonic current by FFT algorithms in its DSP??? Read More Static Var Generator (SVG) Harmonics Static Var [???]

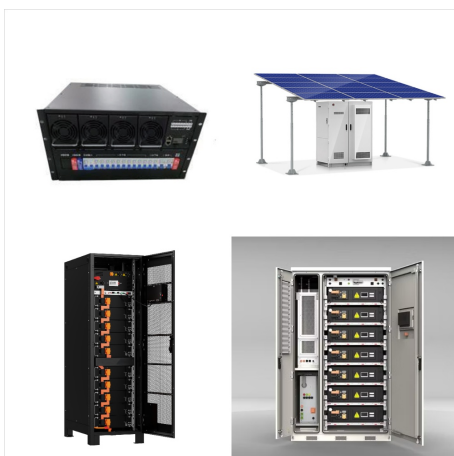

Harmonics Active Power (Harmonic) Filter
Harmonics Active Power (Harmonic) Filter Delta's PQC Series APF is connected in parallel with non-linear loads, and uses one set of current transformers (CT) to detect the load current. It ???

Explore the Shakti Power Solutions Servo Series, a testament to uninterrupted power stability. As an ISO 9001:2015 Certified Company, we offer micro-controller-based Servo Stabilizers designed for both single and three-phase ???

Active Power (Harmonic) Filter Delta's PQC Series APF is connected in parallel with non-linear loads, and uses one set of current transformers (CT) to detect the load current. It calculates each order harmonic current by FFT algorithms in its DSP microchips, and then generates a compensating current with the same amplitude but opposite phase angles [???

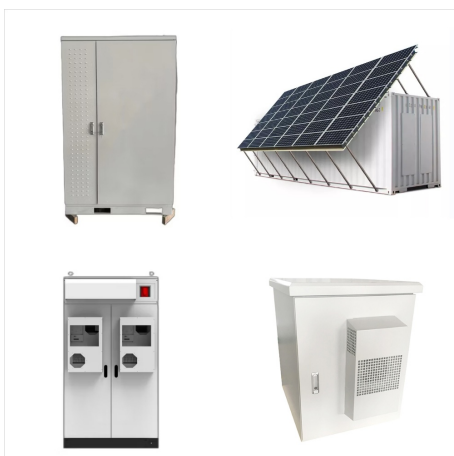

Shakti Power Solutions Pvt. Limited, Formerly known as Shakti Powertronix, established in 2002 with over 21 years of industry expertise, leads in power backup, solar energy, water treatment, and safety audit consultancy. ???

Liebert EXM2 The Vertiv??? Liebert(R) EXM2 is a monolithic UPS tailored for next-gen mid-size critical applications. Operating at an efficiency of up to 98.8%, it features three modes of operation and intelligent paralleling for reliability ???

Online UPS Our online UPS systems provide uninterrupted power protection, ensuring seamless operations during outages and fluctuations. Designed for various industries including IT and telecommunications, our solutions guarantee a stable power supply for critical operations and data integrity. Delta UPS Eaton UPS Vertiv UPS DPH Series UPS, Three Phase, 50- ???

Solar Inverter The Ultimate Solar Solution Provider Step into the World of Solar: By installing solar panels on rooftops, you can harness the sun's energy to save on electricity costs while helping the environment. Embrace the power of solar energy and pave the way for a sustainable and cost-effective energy solution, all while making a [???

Eaton 91PS and 93PS UPS Eaton 91PS and 93PS UPSs provide the lowest Total Cost of Ownership (TCO) and maximum availability in their power range. Whatever your mission-critical application, Eaton 91PS and 93PS UPSs offer the power performance, scalability, resiliency and efficiency you need for cost-efficient business continuity. Get a Quote Related Products Eaton ???

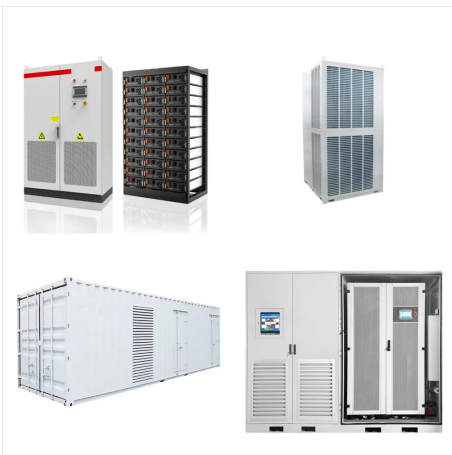

Enquiry Us Servo Voltage Stabilizer Enquiry Us LT Panel Enquiry Us Industrial / Medical RO Enquiry Us Battery Circuit Breakers Enquiry Us ACDB and DCDB for on grid solar plant Complete control over your energy costs in JUST 3 SIMPLE STEPS Get a free quote We will discuss your current situation to align your energy [???

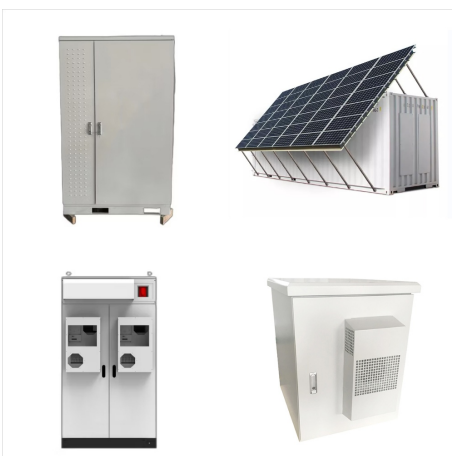

Plante Range Plante range of batteries have become synonymous with reliability and are the first choice in power plants, sub-stations and core industries, wherever reliable standby power is absolutely essential for critical operations. With proper care, Plante batteries can last for 20 years or more Get a Quote Related Products Three Phase Hybrid Inverter ??? [???

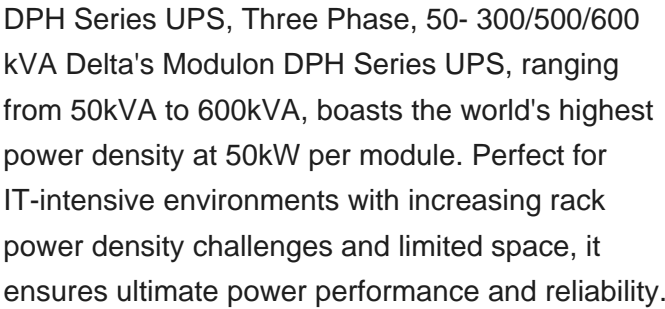

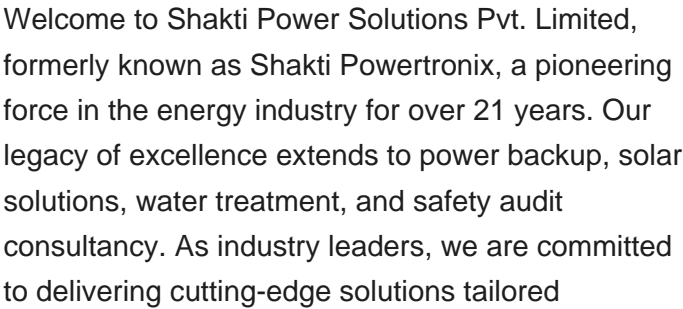

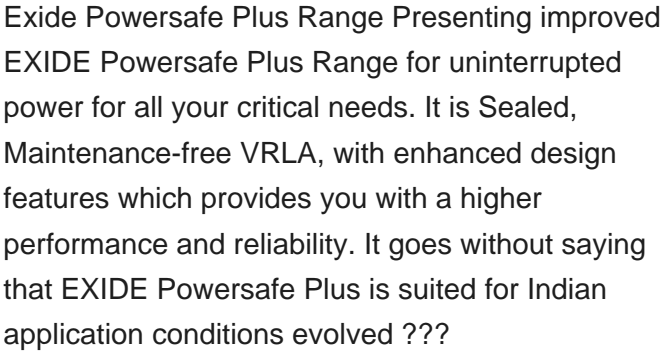

Instrumentation TAILORED SOLUTIONS WITH ENDRESS+HAUSER EXPERTISE Welcome to a realm of precision and customization in process automation. At Shakti Power Solutions Pvt. Ltd, we take pride in crafting solutions that go beyond the standard. Partnering with industry leader Endress+Hauser, we bring you tailored solutions designed to fit your unique challenges and ???

Shakti Solutions provides services and software to customers globally in the areas of business intelligence, networking, systems integration, cross platform support, software development, customized product development and enterprise resource planning software.

Exide NXT Plus Range Presenting Exide NXT Plus ??? the next generation industrial VRLA batteries for uninterrupted support for your critical needs. When a split-second matter you don't take a chance. "The best-in-class service life for long lasting reliability with 20% more life expectancy as compared to the rest"- Fascinating, isn't it? Enquiry Form Related [???

Exide Batteries Batteries play a vital role in our comprehensive power solutions, providing a reliable backup during critical power outages. Engineered to meet the demands of diverse industries, our high-quality batteries ensure uninterrupted performance and protection for your business operations. With a focus on durability and efficiency, our battery solutions are tailored ???

Liebert EXM2 The Vertiv??? Liebert(R) EXM2 is a monolithic UPS tailored for next-gen mid-size critical applications. Operating at an efficiency of up to 98.8%, it features three modes of operation and intelligent paralleling for reliability without compromising availability. Its robust and flexible design optimizes space and seamlessly adapts to various applications and infrastructures

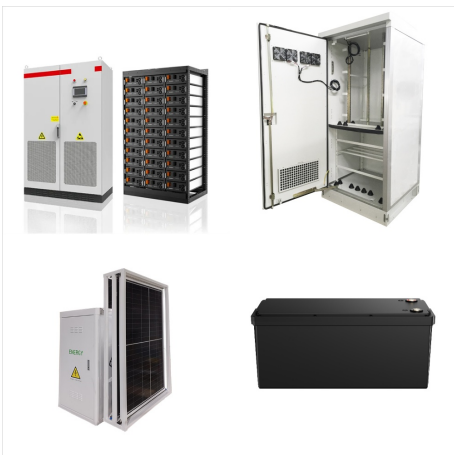

3 Valve Manifolds PANAM 3 Valve Manifolds are available in SS 316, Duplex, Monel & Hastelloy Materials. Available in various configuration such as pipe to pipe, pipe to flange and flange to flange. Maximum working pressure up to 10,000 psig. (689 bar). PTFE standard gland packing, Alternate Graphoil packing for high temperature. Max. temperature upto [???

Elevating diverse sectors with our comprehensive solutions, including Servo Voltage Stabilizers, LT Panels, Online UPS, Solar Solutions, and more. Tailored Solutions for industrial, banking, ???

Liebert S600E, 20KVA The Liebert S600E stands out as a fully-digital, exceptionally reliable, double conversion UPS solution designed to provide a consistent and clean power supply. With its high efficiency, this solution is well-suited for diverse deployments, including IT racks, network closets, automation control systems, precision instruments, and small-sized control rooms, ???

Three Phase Hybrid Inverter The INV (EU)-25/30/40/50K(HV) is a three-phase hybrid inverter that is designed to provide reliable and efficient energy conversion for both on-grid and off-grid applications. This inverter is a hybrid model that combines both AC and DC coupling to retrofit existing solar systems and support multiple batteries in parallel. Get a Qoute [???

Row-DENCO(R): Elevating Data Center Cooling In the ever-evolving landscape of data center technologies, the need for efficient, scalable, and adaptable cooling solutions has become paramount. Enter Row-DENCO(R), a cutting-edge system designed by FI?ktGroup to redefine the standards of data center cooling.
