The Siemens Energy Storage System (ESS): BlueVault. The advanced lithium-ion battery-based solution BlueVault for offshore installations and marine vessels is suited for both all-electric and hybrid energy-storage applications. BlueVault energy storage solutions are designed to help ensure continuity of power and to minimize carbon dioxide

Custom tune for an ESS TS2 Supercharged E46 BMW 330i ZHP using 42lb injectors and 79mm pulley (MS45.1 DME) DISCLAIMER: This archive is provided as-is and without warranty. Use it at your own risk. If you need tuning support, I highly recommend reaching out to a qualified tuner. Credit and thanks
