

Which sigenergy sigenstor battery is right for You?

The Sigenergy SigenStor Battery with LED is the perfect choice for homeowners seeking exceptional backup power and a commitment to environmental responsibility. Sigenergy SigenStor Battery: Boost Your Home Energy Security (8.0 kWh with LED) Take control of your home's energy security with the Sigenergy SigenStor Battery.

What is sigenergy home ESS?

Combining solar, storage and EV charging, Sigenergy offers an all-in-one Solar Energy System for Home that helps you lower utility bills and reliance on the grid. As a state-of-the-art home energy management system, Sigenergy Home ESS is versatile and scalable to meet every need. It's also simple to install, easy to use, smart & safe all around.

What is sigenergy's mysigen app?

Industry-First Energy App Powered by GPT-4 Integration Sigenergy's mySigen App harnesses advanced artificial intelligence technology, seamlessly integrating the latest GPT-4 model. This pioneering achievement marks Sigenergy as the first in the industry to employ this cutting-edge technology in the energy sector.

Repleto de recursos de segurança, o Sigen Hybrid Inverter permite que adicione facilmente uma bateria Sigen quando estiver pronto para expandir o seu sistema solar para incluir armazenamento de energia para uma experiência de energia doméstica otimizada.
