Legacy Challenges Check out my legacy challenges here: Solar System Legacy Challenge Star Sign Legacy Challenge Gi's Disney Princess Challenge The Seasons Legacy. You can find my legacy challenge rules as well as a detailed rundown of the settings and rules I use navigation.

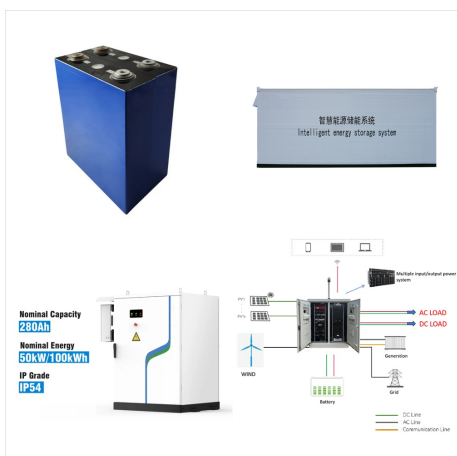

Our Solar System Sims 4 Legacy Challenge This challenge is built on Roman gods so the generations are based off of the personality type that these gods/planets would have. You may want to use a certain gender for your sim because you are more used to it but we wanted to keep this challenge true to the main idea so we made every generation the

A ten generation legacy challenge based on the planets in the solar system, including the sun and Pluto. Each generation will have a different set of goals and requirements before the new heir takes

I love legacy challenges in the sims and I have a ton of random facts about our solar system rolling around in my noggin. So! I thought it'd be fun to try my hand at making my own challenge with each generation based around the planets themselves rather than astrology or their namesakes.
