

11 Kloof Farm House - with solar backup power is located in Cape Town, just 5.7 miles from Chapman's Peak and 17 miles from Kirstenbosch National Botanical Garden. This property offers access to a terrace, free private parking, and free Wifi. CTICC is 23 miles from the vacation home and Robben Island Ferry is 24 miles away.

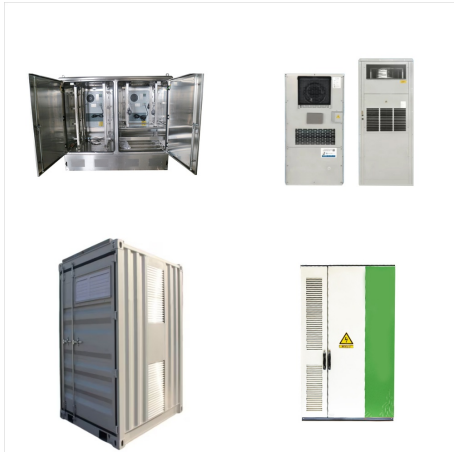

This must be less than the backup power rating of the system you buy. If more loads are put on the inverter than its rating, it will shut down to protect itself. General Notes. All our Backup Power Systems are compatible with solar power, so you can start with just the Backup Power System, and then, later on, add solar panels.
