

How can I choose a solar company in Fontana?

To choose a solar company in Fontana, look for companies with at least 3.5 out of 5 stars on Google Reviews and similar customer review platforms. The company should also have a respectable rating on the Better Business Bureau (BBB). Read through reviews to learn about other homeowners' experiences with a company and be on the lookout for multiple bad reviews.

How much do solar panels cost in Fontana, CA?

The average solar panel cost in Fontana, CA is \$2.63/*W. For a 5 kilowatts (kW) solar panel system, the average cost ranges from \$11,162 to \$15,102, with an average gross price for solar in Fontana, CA coming in at \$13,132.

What are the benefits of solar energy in Fontana?

Fontana, California, receives ample sunshine, making it an excellent location for solar energy. Homeowners can benefit from solar panels in several ways, including: Saving on energy bills: By transitioning to solar, you can significantly reduce your energy bills as electricity from solar panels replaces utility-supplied power.

Should you switch to solar energy in Fontana?

Making the switch to solar energy in Fontana can save Fontana homeowners an average of about \$770 yearly, according to the U.S. Energy Information Administration (EIA). Solar panels require an initial investment, but the long-term energy savings can make it a worthwhile investment.

Are you eligible for solar incentives in Fontana?

Residents of Fontana may be eligible for several solar incentives. Some incentives are available statewide for all California residents, while others depend on your utility company, municipality, and city. According to the DSIRE, here are the solar incentives available for California residents:
