

Who are the best solar companies in South Carolina?

To help you compare options, we shortlisted the best solar companies in South Carolina -- Sunpower, Sunrun, Palmetto, Blue Raven and Elevation. We at the Guides Home Team have selected the best solar companies nationwide based on in-depth research, detailed consumer surveys and discussions with industry experts.

Where can I buy solar panels in South Carolina?

Solar Energy World was founded in 2009 and operates across 10 states, including South Carolina. This installer offers solar panels from several manufacturers, as well as solar batteries and live system monitoring. With Solar Energy World, you can buy your solar panel system outright or sign a lease or PPA.

Which solar installation company should you choose in South Carolina?

South Carolina residents -- from upstate to the Midlands and the Lowcountry -- have dozens of solar installation companies to choose from. Customers who prefer extensive experience and reliability may like Sunrun, while those looking for easy payment options should consider Blue Raven.

Does South Carolina have solar energy?

Since only about three percent of homes are powered by solar in the state, this puts the priority for the changeover relatively low compared to how many clear days residents enjoy each year. That being said, South Carolina's solar energy still falls in the top half of the country's states when it comes to price.

Is solar a good investment in South Carolina?

Going solar is a huge investment, especially in South Carolina where the cost of solar is a little higher. Choosing a company that has a lot of solar financing options, like Blue Raven Solar, can help ease the initial financial burden of installing solar panels.

How much are solar panels worth in South Carolina?

A study by Zillow revealed that homes with solar panels sell on average for 4.1% more. So, with an average home value in South Carolina of about \$296,000, that would equal an increase of around \$12,100. Are solar panels worth it in South Carolina?
