

The Mooresville-based company, formerly known as Power Home Solar, filed Oct. 7 for liquidation bankruptcy in Western District of North Carolina, documents show. Pink Energy claims it has more

The solar company based off out of Mooresville previously laid off its employees after thousands of complaints and significant loss revenue. Less than a week later, the Ohio Attorney General filed a lawsuit against Pink Energy, alleging they used deceptive and unconscionable tactics on Ohio consumers and poorly installed solar panel systems.

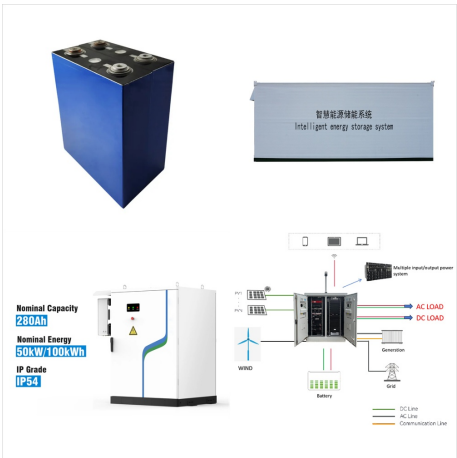

The company's sudden demise is the latest twist in the saga of the solar company that had served 35,000 residential solar customers in 16 states, including about 5,700 homes in North Carolina.
