Solar Potato, 22.500 FP An old tale speaks of an ancient alchemist named Mortimer, it is said that he only ate potatoes and only drank energy drinks. He slowly went mad and started worshiping potatoes.

For every 500 shares we will raffle away 1 additional "Glowing Green Goo" daily and if we reach 2000 shares, we will start raffling away a Solar Energy drink on top, and those have a whopping 20,000 feedpower! Winners will be announced and prizes paid out weekly. Note: you have to log into the game to be considered for the daily raffle.

Notes: Pet food themed on the Thanksgiving feast. The feed power value references the year 1621, commonly regarded as a significant date in American popular culture, being the date of the first harvest feast at the Plymouth Plantation.

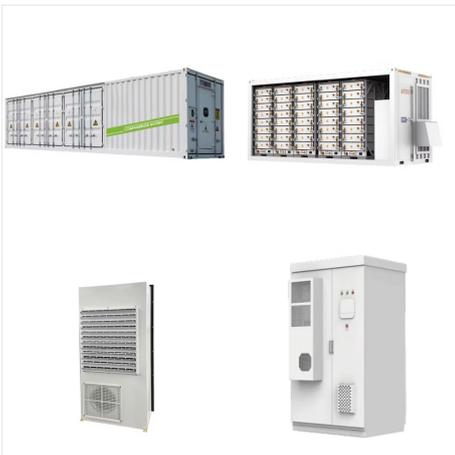

Notes. Bring 3 Common Pet Eggs in exchange for an Egg Omelette at The Tinkerer.. History. Added as a new pet food item in Patch X.17.0.0 (September 2017) during the first revamp of the Tinkerer quests. Before Patch X.32.2.0 (November 2019), one of the 5 quests available daily always used to be an Egg Craft quest, but now alternates with a Laundry Craft quest.

I know it already expired and people say never buy pet food with gold, but I was curious if the recent summer feast pack (2x energy potato, 1x solar energy drink, and some other food I forgot) for 5299 was by any chance worth it IF I was considering to buy pet food with gold?
