Is solar energy world a good company?

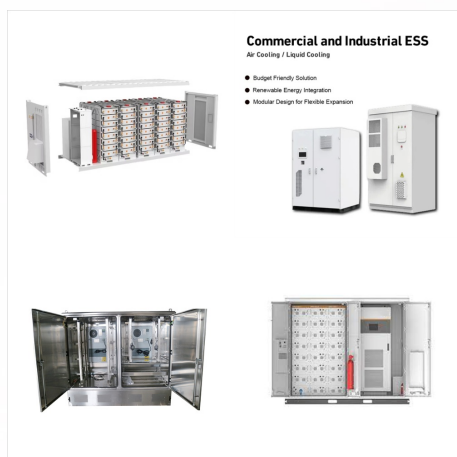

We regret going with Solar Energy World. Price point was very good. Installation was very good. It took about a month. From planning to full installation. Service was terrible. We never saw another service team after the install to address the full operation of the solar system.

Would you recommend solar energy world via Daren?

I would 100% recommend Solar Energy world VIA Daren. Great experience!! Tom Shaw has been excellent to work with. He is super friendly, knowledgeable, courteous, professional, and ALWAYS gets back to me with any questions or concerns I may have. The installation crews were great and approachable. They went over the project before starting.

Did solar energy world get operational during a power outage?

When the latest storm was approaching, even though FPL had not authorized our operation Solar Energy World sent someone out to assist us in getting operational. We were very glad to have the system operational during the power outage.
