

We are the #1 solar energy provider in Somalia! SOMNUUR Energy and Technology was founded in 2015 on the principles of making solar energy affordable reliable and accessible for everyone in Somalia. SOMNUUR's head quarter is Mogadishu but has offices in Afgoye and Kismayo and implements projects throughout Somalia.

Solar Power For Your Home and Business. Ileys Energy is one of the top solar companies in East Africa, with nearly two decades of experience as a leader and inventor in the East African solar field. All essential components of solar power ???

Somali market is flooded with low quality inefficient solar home system products for years. To gain the trust of the communities that badly need energy access and change the image of the offgrid solar in Somali markets SOMNUUR brought high quality and Global Lighting verified products to the country, which will be accessible to the population

Somali Solar is committed to provide world class Solar systems with first of it's kind in East Africa. Somali Solar is self funded private organization with a history of renewable energy in the ???

We provide a comprehensive suite of solar and renewable energy solutions tailored to the unique needs of Somalia's diverse landscapes and communities. Our services are designed to deliver reliable, sustainable, and cost-effective energy alternatives that empower homes, businesses, and entire communities.

We use customer-centric processes to procure high-quality, affordable, and long-lasting Solar Home Systems for frontier markets. We are currently architecting software to facilitate sales, ensure responsive customer relationship management, and collect and analyse data.
